About LANDMARK WEST!

LANDMARK WEST! is a non-profit award-winning community group working to preserve the best of the Upper West Side's architectural heritage from 59th to 110th Street between Central Park West and Riverside Drive. Since 1985 it has worked to achieve landmark status for individual buildings and historic districts. Today, LANDMARK WEST! is the proud curator of the area's nearly 2,700 designated landmarks (up from only 337 in 1985), and continues to promote awareness of these architectural treasures and the urgent need to protect them against insensitive change and demolition.
