**RESOLUTION**

**Date:** January 3, 1984

**COMMUNITY BOARD #7**

**Manhattan**

**Committee of Origin:** Parks & Cultural Affairs

**Re:** N.Y. Historical Society Proposal

WHEREAS; the proposed addition to the landmarked New York Historical Society building would substantially change the "aesthetic interest or value" of the present building; and

WHEREAS; the proposed development does not enhance the preservation of the present building;

THEREFORE BE IT RESOLVED that Community Board #7 recommends to the Landmarks Preservation Commission that it deny the application before it for a Certificate of Appropriateness.
