

THE COMMITTEE TO PRESERVE THE UPPER WEST SIDE

**Testimony of LANDMARK WEST!  
Certificate of Appropriateness Committee  
Before the Landmarks Preservation Commission  
915 West End Avenue  
July 9, 2019**

LANDMARK WEST! is a not-for-profit community organization committed to the preservation of the architectural heritage of the Upper West Side.

The Certificate of Appropriateness Committee wishes to comment on 915 West End Avenue, a Renaissance Revival style apartment building designed by Rosario Candela and built in 1922. The application is to install a canopy.

The LANDMARK WEST! Certificate of Appropriateness Committee found the proposal to return a canopy to this façade a sympathetic one. Informed by its own precedent, but less intrusive, the profile complements the landmark and serves its residents without dominating the façade.

The LANDMARK WEST! Certificate of Appropriateness Committee suggests the Commission approve this application.
