

LANDMARK EXPLORERS 2: IRT Powerhouse

Name: _____

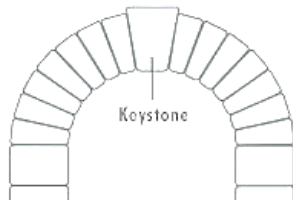

Today we are exploring the IRT Powerhouse! Let's see what we can spot and sketch!

West End Avenue (11th Avenue) façade

How many tall arched windows are there?

What animal can you see in the keystone above the windows?

What is the name of the building? It is shown above the windows.

Draw a detail you can see on the façade

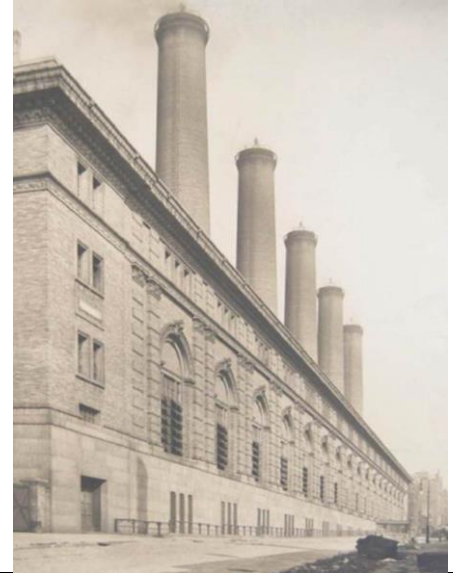

West 58th Street façade

How many smokestacks can you see?

Does this façade look like this today?

What is the same?

What is different?

Directions: Sketch a feature of the IRT Powerhouse that you like the most.

A large, empty rectangular box intended for a student to sketch a feature of the IRT Powerhouse.
