LANDMARK EXPLORERS 3: My Landmark Nomination

I, Alexandre de Souza, nominate PS 165 for landmark designation.

Reasons for landmarking:

I nominate PS 165 because PS 165 is a school old enough to nominate and also kids go to the school PS 165 and don't want there school to be knocked down also PS 165 is a good school and if it is landmarked a lot of more kids can learn about landmarks because there school is a landmark and also if you landmark PS 165 it will not be knocked down and kids can learn more.

Reasons for landmarking:

This should be a landmark because the lights are really nice and I love the colors. I love that Lincoln Center has music, ballet, and theater; I think the inside and outside.
