**JOHN R. LOW-BEER**, an attorney duly admitted to practice before the courts of  
the State of New York, affirms under penalty of perjury the following:

I represent Appellants in the above matter. All parties agreed to accept service by  
email. On May 8, 2019, I emailed our appeal papers to David Karnovsky (representing Owner),  
Michael Zoltan (DOB), and Susan Amron (City Planning). Because of difficulties with the size  
limitations on attachments in the City's email system, I did not complete service on the City  
agencies until May 10, 2019.

Dated: Brooklyn, New York
